Mr. Middleton,

Your request for an extension until October 2, 2015 is approved. However, if you locate responsive information and documents before that date, we would appreciate it if you would provide us with the information and documents once you have them, even if you are not able to provide a complete response until October 2.

Please feel free to give me a call if you would like to discuss.

Thank you.

Subject: Haystack Mines 104(e) Request

Dear Mr. Arora,

Thanks for talking with me about the Haystack Mines 104(e) request sent to Newmont USA Limited on July 31, 2015. Newmont's response is currently due on September 3rd. However, as we discussed, in order to thoroughly search for and review documents that may potentially be responsive to the request, and answer EPA's specific questions, Newmont is asking for an additional 30 days to respond, up to and including October 2, 2015.

EPA's flexibility is greatly appreciated.

Thanks,

Joe Middleton
